

10/31/21 Is Halloween!

Trick-or-Treat  
3pm until 8pm

### *For Trick-or-Treaters*

- \* Porch/Outdoor Light on = Trick-or-Treat here!
- \* Porch/Outdoor light out = Maybe next year!
- \* Stay with your family or "pod" and social distance
- \* Stay in your neighborhood
- \* Don't enter anyone's home
- \* Carry and use hand sanitizer
- \* A cloth or surgical mask is strongly recommended (Costume masks don't provide protection)
- \* Avoid Trick-or-Treating if anyone in your household isn't feeling well, has a fever, or is under quarantine
- \* Don't accept candy that is not factory sealed

### *For Candy Givers*

- \* Porch/Outdoor Light on = Trick-or-Treat here!
- \* Porch/Outdoor light out = Maybe next year!
- \* Wear a cloth or surgical mask
- \* Give out only factory sealed items. Consider spreading out candy on a table or preparing individual bags to avoid hands in bowls
- \* Maintain social distance
- \* Have hand sanitizer ready
